Life of the Meeting / La vie de l'assemblée

The first in-person Meeting of 2025 took place at the Greene Center on January 12. It was a joyful reunion. It felt like we had not seen one another in a long time, since the holiday closure of the Center had begun weeks before.

Nonetheless, planning for events and initiatives in 2025 has been ongoing. The Meeting is organizing a Conference of Care, a group devoted to aiding people through difficulties and troubles large and small, both within the Meeting or outsiders coming to us for help. A call for members interested in participating has been sent out, and the list is growing. If you wish to find out more about this project, or to register, please contact m-c@montreal.quaker.ca

The warmth among our membership is striking. The Committee of Care is a practical and supportive outreach arising from that warmth. Thanks to all who have committed themselves so far.

Another initiative underway is a Trauma Awareness Workshop planned for February 5. Conceived at first to inform members of the new Committee of Care, it is open nevertheless to others in the Meeting and to guests from CYM and CFSC, keeping in mind the limit of 25 participants. Therapist Flow Gall will introduce us to the sensitivities and skills a non-professional support person can develop in this regard. Through this work, we hope to evolve into a "trauma-aware" community. If there is sufficient interest, this English-only workshop will be repeated in French at a later time. If you wish to learn more about the workshop or to register, please contact m-c@montreal.quaker.ca

Another event we look forward to in the next weeks is a trip on February 1-2, weather permitting, to share the monthly worship session of the Quakers of Québec francophone, our fellow Quakers in Québec City. At least two cars will make the trip and we expect good cheer, friendship and the joys of worshipping together. The group will be meeting in All Saints Chapel of the Anglican Cathedral in Québec, an historic and beautiful place in Old Québec. Thanks to Jean Louis, Geoffreyen and Gilles for offering us places to stay on Saturday night. By the time you receive this newsletter, a call for participants will already have been sent out. If you did not receive it, or need to know more, please write us at m-c@montreal.quaker.ca

A few people who have not visited our hybrid meeting for a while, and who then took the opportunity after the holidays, have commented on how the sound system has improved. Thanks to Jean Louis, Geoff and others who worked to improve the technology to a great extent. If you gave up on our hybrid meetings due to sound problems, drop in again and try it out. If you need the link, contact info@montreal.quaker.ca

Craft activities in Québec City

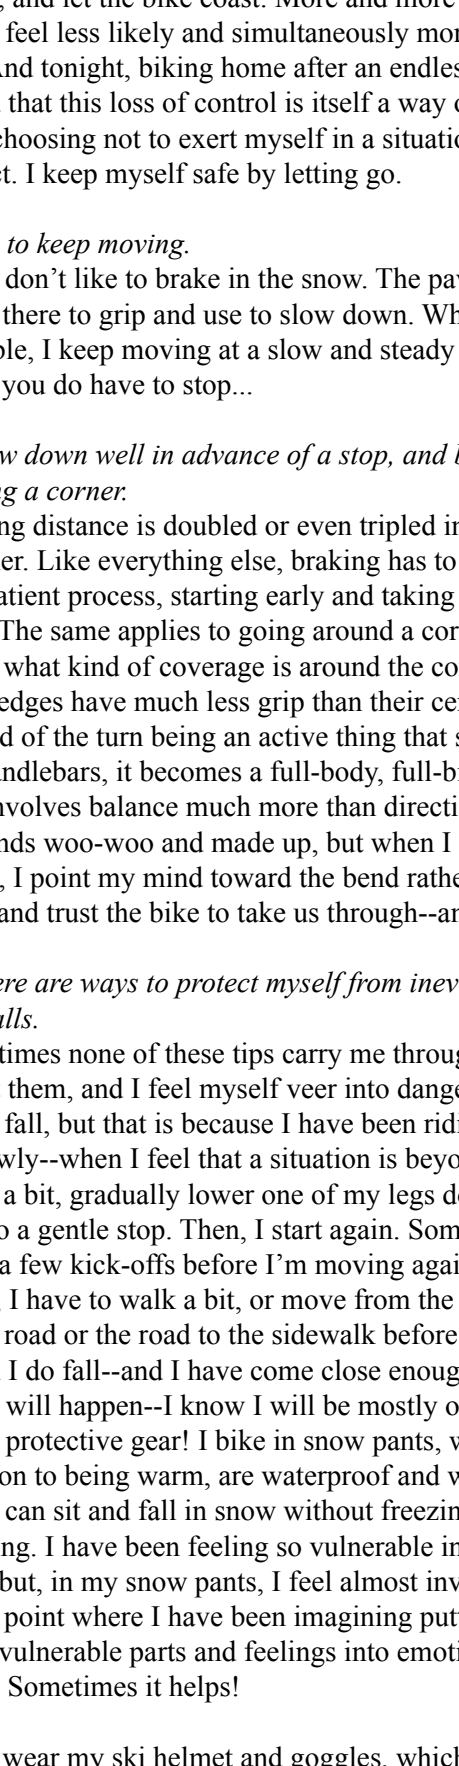

Inspired by the craft sessions organized by Montreal Monthly Meeting, Clara Grouazel and Geoffreyen Edwards propose a monthly meeting for participants in the Québec Worship Group. The goal is to reinforce our connections and know each other better.

The first seance will be held Sunday, March 9th, at Geoffreyen's house. Each event will begin with a half hour of silent worship, followed by a common exercise combining cooking with diverse crafts. We propose to cook together a "classic" dish chosen by the host, and then share, talk about and dabble in creative crafts of our members. Hence each person interested in participating is invited to bring along a current project; possibilities might include knitting, sewing, drawing, painting, making macarons, music (there is a piano), or any other activity you might choose to share. Indeed, whether or not you have a project to share, everyone is welcome!

To obtain Geoffreyen's address, either email them directly or communicate with m-c@montreal.quaker.ca

We envision a second event Sunday April 13th, this time at Clara's house in Saint-Nérée-de-Bellechasse. Transport will be organized as needed.

For the March event, Geoffreyen proposes to lead everyone in the preparation of mince tarts, a sweet associated with Christmas, while in April, Clara will introduce folk to the preparation of Breton Cake, a dish reserved in earlier times for marriages and grand occasions in Brittany.

La première assemblée en personne de 2025 a eu lieu au Centre Greene le 12 janvier. Ce fut une rencontre joyeuse. Nous avions l'impression de ne pas nous être vus depuis longtemps, puisque la fermeture du Centre pour cause de vacances avait commencé quelques semaines auparavant.

Néanmoins, la planification des événements et des initiatives pour 2025 se poursuit. L'Assemblée organise un comité d'entraide, un groupe qui se consacre à aider les gens à surmonter leurs difficultés et leurs problèmes, grands ou petits, qu'ils soient au sein de l'Assemblée ou qu'ils viennent de l'extérieur pour demander de l'aide. Un appel aux membres intéressés à participer a été lancé et la liste s'allonge. Si vous souhaitez en savoir plus sur ce projet ou vous inscrire, veuillez contacter m-c@montreal.quaker.ca

Le désir de réconfort chez nos membres est frappant. Le comité d'entraide est une initiative pratique et solidaire qui découle de ce désir. Merci à tous ceux qui se sont engagés jusqu'à présent.

Une autre initiative en cours est un atelier de sensibilisation aux traumatismes prévu pour le 5 février. Conçu au départ pour informer les membres du nouveau comité d'entraide, il est néanmoins ouvert aux autres membres de l'assemblée et aux invités de l'Assemblée du Canada et du CFSC, tout en gardant à l'esprit la limite de 25 participants. La thérapeute Flow Gall nous présentera les sensibilités et les compétences qu'une personne de soutien non professionnelle peut développer à cet égard. Grâce à ce travail, nous espérons évoluer vers une communauté « consciente des traumatismes ». Si l'intérêt est suffisant, cet atelier en anglais seulement sera répété en français à une date ultérieure. Si vous souhaitez en savoir plus sur l'atelier ou vous inscrire, veuillez contacter m-c@montreal.quaker.ca

Quelques personnes qui n'avaient pas assisté à notre assemblée hybride depuis un certain temps, et qui en ont profité après les vacances, ont fait remarquer que le système de sonorisation s'était amélioré. Merci à Jean Louis, Geoffreyen et d'autres qui ont travaillé à l'amélioration de cette technologie dans une large mesure. Si vous avez renoncé à participer à nos assemblées hybrides en raison des problèmes de son, réessayez, la différence est bien audible. Si vous avez besoin du lien, contactez info@montreal.quaker.ca

Activités artisanales à Québec

Inspiré e par les activités artisanales organisées par l'Assemblée de Montréal, Clara Grouazel et Geoffreyen Edwards proposent une rencontre mensuelle pour les membres du Groupe Quaker de Québec. L'objectif principal est de renforcer nos liens et de mieux nous connaître.

La première rencontre aura lieu le dimanche 9 mars, de 11 h à 14 h, chez Geoffreyen. Chaque séance commencera par un culte silencieux d'une demi-heure, suivi d'un projet commun mêlant cuisine et activités artisanales variées. Nous cuisinerons ensemble un plat "classique" choisi selon les préférences de la personne qui accueille et échangerons sur nos projets créatifs personnels.

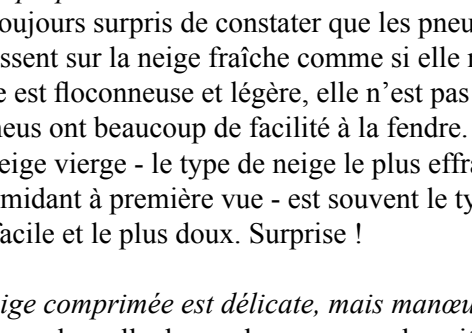

Vous êtes invité e s à apporter un projet en cours à présenter ou à partager, qu'il s'agisse de tricot, couture, dessin, peinture, fabrication de macarons, musique (avec un piano disponible sur place), ou toute autre activité de votre choix. Bien entendu, que vous ayez ou non un projet en cours, vous êtes toutes et tous les bienvenus e s !

Pour connaître l'adresse de Geoffreyen, veuillez ellui écrire par courriel directement ou communiquer avec m-c@montreal.qc.ca

Nous envisageons une deuxième rencontre le dimanche 13 avril, cette fois chez Clara, à Saint-Nérée-de-Bellechasse. Le transport pourra être organisé selon les besoins.

Pour la séance de mars, Geoffreyen propose de réaliser ensemble des tartlettes de Noël aux fruits secs et aux épices ("mince tarts"), tandis qu'en avril, Clara suggère de préparer un gâteau breton, autrefois réservé aux mariages et aux grands événements en Bretagne.

À bientôt pour partager ces moments créatifs et chaleureux !
